TASK-1

PRESENTATION

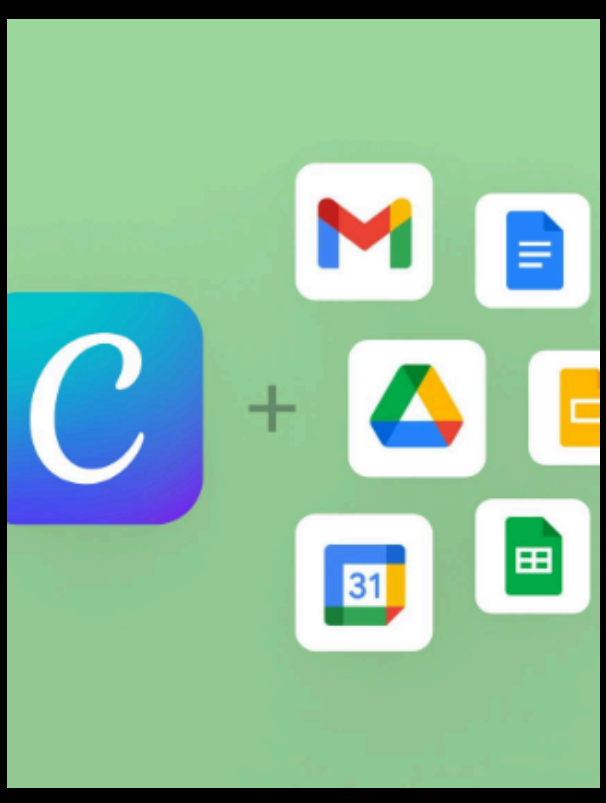
TASK-1

Digital Literacy Awareness Infographic

01.

WHAT IS DIGITAL LITERACY?

Digital literacy means the ability to use digital devices like computers, smartphones, and the internet effectively.
It includes finding information, communicating online, and using digital tools responsibly.
Yolt also helps students stay safe and make smart decisions online.



02.

Useful Digital Tools for Students?

Students can use tools like Google Docs for writing assignments and Canva for designing projects.
Online platforms like Zoom and Google Meet help in attending classes and meetings.
These tools make learning easier, faster, and more interactive

03.

Safe Internet Practices?

Always use strong passwords and never share personal information online.
Avoid clicking on unknown links or downloading files from untrusted sources.
Be careful while using public Wi-Fi and keep your accounts secure

04.

Professional Online Presence?

Maintain a respectful and positive image on social media and online platforms.
Use proper profile pictures and avoid posting inappropriate content.
Your online behavior can affect your future education and career.
